>cbr />cbr />cspan style="color: #ff0000;">How old was the age of Mary, Jesus' Mother when she got pregnant?
cspan>Not only was it a custom in the Arab society to Engage/Marry a young girl it was also common in the Jewish society. The case of Mary the mother of Jesus comes to mind, in non biblical sources she was between 11-14 years old when she conceived Jesus.
/span>Mary had already been "BETROTHED" to Joseph before conceiving Jesus. Joseph was a much older man. Therefore Mary was younger 11-14 years of age when she was "BETHROED" to Joseph.
/span>Abr />cspan>We Muslims would never call Joseph a Child Molester, nor would we refer to the "Holy Ghost" of the Bible, that "Impregnated" Mary as a "Rapist" or "Adulterer".
/span>Abr />cspan>According to the Priest of Saint Mary's Catholic Church: "Mary was approximately 14 years old when she got pregnant with Jesus. Joseph, Mary's Husband is believed to be around 36 years.
/span>According to the "Oxford Dictionary Bible" commentary, Mary was was 12 years old when she became impregnated.
/span>According to the "Oxford Dictionary Bible" commentary, Mary was was 12 years old when she became impregnated.
/span>a regionant at a very young age. And speaking of "child molesting", since most Christians believe that Jesus is the Creator of this universe, then why did GOD allow himself to enter life through a 12-year old young girls vagina?
